Tom Romstad, North Park Redevelopment Agency:  
Disposition of Redevelopment Agency-owned property located south of the North Park Theatre (currently used as a surface parking lot). Redevelopment Project Manager Tom Romstad presented alternatives and solicited public input. Vicki Granowitz would like to see affordable housing built on this site, due to the high cost of living in the area. Vicki also suggested they hire Fred Kent to do study on the selected site in order to determine the sites greatest potential. Vicki is also against hiring a designer before the community knows exactly what it wants.
